

RESERVE COLLECTION

## 2018 Reserve Cabernet Sauvignon

Vintage	2018
Variety	100% Cabernet Sauvignon
Region	Margaret River, Western Australia
Winemaker	Jeremy Hodgson
Alcohol	14.5%
Acidity	pH 3.68 TA 6.1g/L
Residual Sugar	0.5 g/L
Oak Treatment	18 months maturation in a combination of new (55%) and seasoned French oak barrels .
Cellaring	Tannins are plentiful – providing a structural framework to the wine and ensuring good cellaring potential of 20+ years, however they are sufficiently fine and elegant to allow for immediate enjoyment.
Appearance	Rich plum red with black tints.
Aroma	Aromas of blackcurrant and raspberry fruits ease into lifted violets, cedar and all-spice with savoury notes of olive, sage, bay and tobacco leaf.
Palate	Finely structured and elegant, this medium weighted wine displays an innate power whilst retaining delicacy and poise. Fine spun tannins carry ripe, perfumed fruits across the palate, whilst very tight grained French oak provides structure, form and length to ensure a beautifully elegant finish.

### AWARDS

96 Points	2023 Decanter World Wine Awards "Perfumed and lifted nose displaying scents of dark rose buds, violets, vanilla spice, cedar and masses of minty cassis and smoked plums. Sumptuous palate, creamy."
96 Points	2022 Halliday Wine Companion "Supple, briny cassis rises up to greet you on first sniff. In a word, pretty. Vibrant. Also joyful. The wine takes a very serious turn on the palate. This is finely structured, shaped by chalky tannins that carry ripe, medium-weight fruit over the tongue and through to the finish. Caresses more than it asserts, making it a subtly spicy, elegant and willowy cabernet, capable of years of grace in the cellar. Brilliant fruit. Drink by 2046" Erin Larkin
